# Tribute to a YouTuber

👁 104 ✓ 2 ⭐ 8

## Chapter 1 by Suzi Rowsell

I scroll through popular videos, not paying attention.

A notification, someone has replied to my comment.

AtreeLOL5464654: Stop posting hate! Go find another channel to hate on!

And i do.

The channel i've stumbled upon is about a Youtuber called KickThePJ, he has loads of subscribers.

He is so crazy and creative!

I just can't bring myself to write anything bad about him.

I try to think about my usual comments: Camera work is ok i guess, could be better, Love the hair.. hate the top.

All these remarks off the top of my head, people assume i'm some horrible old guy writing hate all day.

I'm not, i promise..

His amazing song, The colour Bandit, Has inspired me to write this story.

This story you're reading right now.

This story about a girl, posting things off the top of her head.

And the last thing i can think of is that i'm not a YouTuber.

But the main message is tell your story.

## Chapter 2 by Suzi Rowsell

You could call me crazy for writing this, and by all means, click off now... But i guess this is just all i wanted to say... except for, i suppose, oh and-

NUH UH. I am NOT filling up this chapter with stupid comments.

But what i am going to say is that..

"If you ever do stumble accross this story  
just know i'm sitting on the other side of the computer.

But every time i watch your videos something sparkles, something ignites.

And i KNOW i'm not much of a poet but seriosly, if someone read this far...

I know its crazy, i know it doesn't rhyme

But comon, gimme a chance!

So i get that there are a million girls out there, subcribed and completely obsessed.

But if i knew you read this story, i probally wouldn't be able to rest.

Right, so this is my feeble attempt to create something like you create.

It has no plot, no story line.

just words in my head.

I'm gonna get it out, just say it now... No i'm not obsessed.

Plz don kill me, Pj fans!

I just don't get it, how can you be so misterious yet so friendly?

And exactly HOW do you not have a BILLION subscribers.

All these questions, unanswered, and probally never will...

So i'm gonna end this now...

i think, i suppose, i guess..

So if you DO know pj, write a chapter! Tell me more!

And if you don't.. go search him up, go on.. right now!"

Thanks for reading <3
